

User Stories

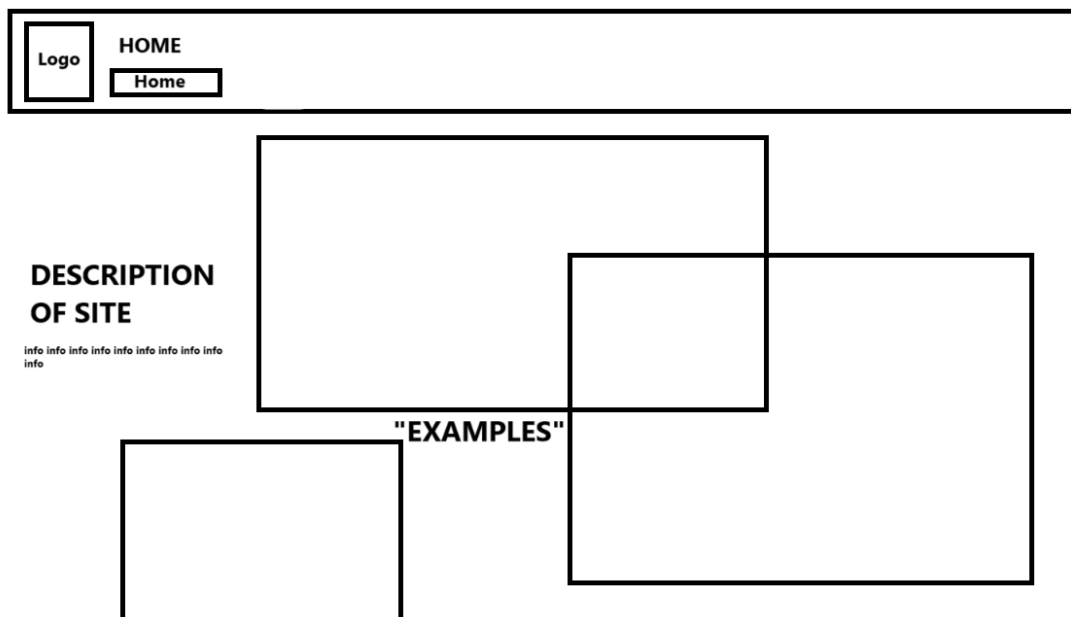

User Story 1

As a user,

I'm able to quickly see a home page where I can find all the information of the site and info needed to go to the setup search page and other pages

So that I'm able to have a brief overview of the website

WireFrame:

Acceptatiecriteria

- Alle links in de navigatiebalk zijn functioneel en leiden naar de juiste pagina's.
- De home page is rustig van stijl en geef duidelijke informatie

User Story 2

As a user,

I'm able to browse a catalog of computer setups by different criteria,
So that I can find the best setup that suits my description.

Wireframe:

The wireframe shows a search interface for computer setups. At the top is a header bar with a 'Logo' placeholder and the title 'Setup Search'. Below the title is a 'Setups Search' button. The main content area is divided into a left sidebar and a right grid. The sidebar contains filter sections: '* Title' with a text input; '* Purpose' with three radio buttons labeled 'Purose 1', 'purpose 2', and 'Purpose 3'; '* specific hardware' with a text input and a note 'This information will be searched in the description of the setup'; and '* Price' with a range slider from 10 to 10000 and a note 'Extra search functions may come in the future'. The right grid shows '23 Results found' at the top. It contains two visible result cards, each with an 'IMAGE' placeholder, a 'Title:' field, and a 'DESCRIPTION: info' field. A third card is labeled 'And So On ...'. Below the grid are four small rectangular buttons.

Acceptatiecriteria

- Gebruikers kunnen setups filteren op criteria.
- Elke setup toont minimaal een afbeelding, naam en een korte beschrijving waar ik op verder kan klikken om meer te zien.

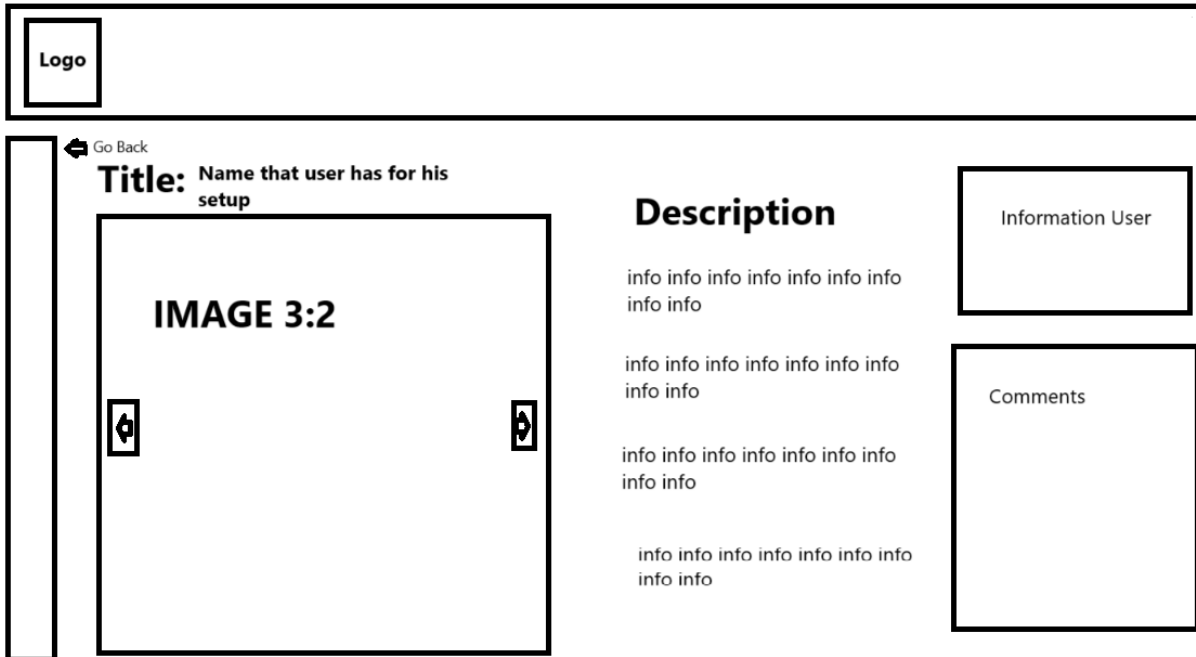

User Story 3

As a user,

I'm able to view the details of a specific computer setup,

So that I can understand its components and suitability.

Wireframe

Acceptatiecriteria

- De pagina moet alle belangrijke specificaties en een overzicht van de volledige setup geven
- Je kan door de fotos gaan met de pijltjes
- Je kan reageren in de comments op de setup
- De "Go Back" knop laat je terug gaan naar de vorige zoek pagina.

User Story 4

As a User,

I need to be able to log in

So that I can make my own profile and post setups

Acceptatiecriteria:

- Je moet een account kunnen aanmaken
- je moet op je aangemaakte account kunnen inloggen

User Story 5

As a user,

I'm able to share my own computer setup with the community,

So that I can receive feedback and suggestions.

Wireframe:

The wireframe shows a form for creating a new setup. At the top is a header bar containing a 'Logo' placeholder and a 'Create Setup' button. Below the header, on the left, is a vertical sidebar. The main content area contains a 'TITLE:' label followed by a text input field. Below the title is a large rectangular area for an image, labeled 'Upload image' with a plus sign icon. To the right of the image area is a 'Description' label followed by a text area with a 'max ... words' placeholder. At the bottom right of the form is a 'POST' button.

Acceptatiecriteria

- Het formulier moet alle velden valideren (bijv. verplichting title en min 1 afbeelding).
- De nieuwe setup moet direct zichtbaar zijn in de catalogus.

User Story 6

As a user,

I'm able to edit or delete my own shared setups,

So that I can keep my contributions up-to-date or remove them if needed.
